My Friend Dave
By Amy Jo Underkofler

He cares about life, though his is not fair,
Such a sweet boy who lost his hair,
A deadly disease put his precious heart to a test.
Courageously he fights, I admire his spunk,
I want to tell him how I adore him, but I can't find the words to tell him how I feel.
It's an awe that's indescribable, like a rush of fear.
He listens to and he cares about what I think and how I feel.
Every day we speak, I think about how I wish he were healthy and well.
Although I miss his smiling face, I know someday his smile will be carefree and mild.
Such a dear friend I hardly deserve, one who is there and keeps me as sane in my mind as I should be all through time.
He's taught me how precious life is, and how foolish I was for not wanting to live.
One thing I'll say, his honesty, so pure, unaltered, and sure, reminds me that God made no mistake when he gave me my friend Dave.
When I grow up...

All for one and one for all!!!
With hard work, determination and team spirit (esp. on the bus ride), the 1993 Spring Track team finished the season with 3 wins and 3 losses.

This year's 1994 Spring Track will be led by tri-captains Eileen Lavey, Monica Mendes and Kerri Platt. Many great contributions have been made by seniors Brenda Fitzpatrick, Lexy Gendron, Emily Griffin, Gretchen Hersey, Allsun Madigan, Erica Spruill and Jen Husséy. Carrying the team spirit also are the many talented underclassmen.

Many thanks to Mr. Buckley (for Sat. morning practices, power raises, and helping us strive to be our best.) and to Mrs. Kirby (for the killer track workouts). What would we do without them- Go to Brigham's???
We leave with great memories!

With Mike Perreault, John Anderson, Joe Colclough and Mark Thurston the team Looks strong and well rounded. With great team work, which the team has always had, they should have a successful season.
Boys Tennis

The Boy's Team had a great season in '94. Although it was a largely underclassmen team, the seniors gave their all and left with a bang. They made it through the snow covered courts and had a season they'll never forget. The boys would especially like to thank Coach Ron Barterus for everything he has done. Best of luck to the seniors, and of course: Good Luck Next Year!
The girls tennis team had a great season. They were led by Co-Captains - Alison McCabe and Daniele Flaherty, and 2nd Seniors - Sarah Servetnick, Laura Gillooly, and Kim Seroll. The girls had a great season in '93 with a 15-1 record. They finished first place in the Atlantic Coast League. The seniors would especially like to thank Mrs. Sides for all her encouragement and for being a great coach. We'll miss her.
Coming off of a much improved season the Hingham Girls Softball team was very optimistic for the '94 season. Defeating the top two teams, Randolph and Whitman-Hanson, the girls were confident for a good season. Co-captains Tricia Costello and Sherill Anne DiGiusto led the girls team and seniors Debby Elsden, Lora Marcella, and Emily McMorrow were key assets to the success of the team. The Harbormen are also looking forward to the contribution of seniors Heather Ohman, Hilary Parsons, and Molly Wehter. The team would like to thank coach Mortimer for a great season and good luck in the '95 season.

Last season proved very successful for the Baseball team. They ended with a 12-6 record, and traveled to the championship games where they lost to Catholic Memorial, in 9 innings. The team hopes to continue their success this season with seniors Steve Melia, Jamie Duff, Greg Porter, Will Collins, and Mark Drexel. The team would like to thank Coach Garrigan for his enthusiasm and determination.
The golf team had a great season, finishing with 7 wins and 9 losses. The weather last spring set the team back 8 practice days, but a record number of 33 hopefuls tried out for the team. This season the team expects to be even better, since many juniors and sophomores gained experience last year. This season the team is led by captain Pete Carpenter and senior John Mahoney. The entire golf team would like to thank Mr. Curran for his support throughout the season.

The team had a successful season with a record of 6-7-3. Despite being a young team, they quickly learned to work together and win. The Hingham High Girl’s Soccer Team started practicing for the season during the summer getting in shape. They started their season off not only in shape but with a new coach. With positive attitudes and a willingness to play, the team was off to a good start. Although their record was 3, 10 and 2, this didn’t reflect their ability. Working hard, the team didn’t forget to have a fun and exciting season together.

For the '93-'94 season the Hingham Girl's Basketball Team had a successful season. Co-captains Jen Durgin and Sherrill Anne Digiusto led the way for a winning season. Also returning seniors Lisa Monticone and Debby Elsden were key players contributing their skill and dedication to the success of the team. With a tough loss to Rockland in the play-offs last year, the Girl's team started off the season defeating Rockland 48-42. The seniors would like to thank Coach Mortimer for a great season and best of luck in the years to come.

Hey! I'm having a lightbulb! We have 15 minutes 'till game time and 9 out of 12 girls. No problem getting half-time together. Congratulations to all the girls for pulling through every setback imaginable. It was hard work but we always had our good times: Which song? Shake 5, 6, 7, 8..., Airball, sloths, the Duxbury player wiping out half the squad. Referee McGoo, My butt hurts!, Nicole's skirt, and of course "Have you been drinking?" Best of luck to all the girls next year! To all the seniors: May you cheer again without Hostess Pastries underfoot! "We believe in you!"

The 93-94 edition of the Hingham Hockey team was dominated by the underclassmen. Lead by co-captains John Mahoney and Kurt Wilner as the only two Seniors, the Harbormen looked to a handful of Juniors and a plethora of talented Freshmen and Sophomores to play key roles. After last years graduation wiped out the core of forwards on the team, they looked to a strong defense, lead by John Mahoney, Dave Delgallo and Kurt Wilner, as the foundation for the team. This years team looked to capture their 5th straight league title and another strong bid for the State Championship.

Working well together in this season of bitter winds and frozen grounds the team focused on the common goal of winning. As for each athlete, the commitment and determination was shown as they each had an individual vision. With the experience of the upperclassmen combined with the courage and perseverance of the underclassmen the team looked to be a top competitor among the league's best.

Activities Committee
The Student Council strives to achieve a better way of life for H.H.S. and for the community as a whole. One of our greatest achievements this year was establishing a program to award seniors with a "B" or better average throughout the year, in any subject, exemption from that courses final. We also worked to give back as much possible to society. This year each class donated to a specific charity. We hope that we've left H.H.S. a desire to continue to pursue these goals, and to set new ones for the future.
The American Field Services, which is one of the biggest clubs at Hingham High, had a very exciting year. Our many activities included a 12 hour dance-a-thon, an international host weekend, a rake for charity, a state exchange, and many other events. This year wouldn't have been such a success without the help of Co-Presidents Melissa Carpenter & Heather Callahan, Vice-Presidents Ane Coughlin & Chrissy Hickey, Secretaries Katie Herzig & Melissa Mills, and everyone else who participated. This year A.F.S. was also honored to sponsor four exchange students: Jennifer Watson, Conny Rasmussen, Julio Caraballo, and Lionel Busschaert.

The Hingham High chapter of Students against Drunk Driving has had a very successful year as one of the biggest clubs in the school. We have worked to end death and injury due to drinking and driving, underage drinking, and drug abuse. April’s National S.A.D.D. month was a huge success. Remember, friends don’t let friends drive drunk. Good luck class of 1994!

The Class of 1994 has seen many fabulous Musicals including: "Anything Goes," "Fiddler on the Roof," "42nd Street," and this year's "Fame," with seniors Sarah Blowers, Susannah Hills, Abby Klima, Matt Sanocki, Ryan Overbeck, and Joel Ciocavaco in lead roles. Also, the HHS Drama Club has been all the way to the New England level of the Drama Festival, with the entry of "Dogg's Hamlet," in 1991, and with their entries of "A Midsummers Night's Dream," in 1992, and "Fortress" last year, the club made the Semi-Final Round. This year, the Drama Club hopes to continue its winning tradition with this year's entry "A Competition Piece." In the spring, there will be the productions for Thespian Night, and Senior One Act Plays. Break a leg, Seniors!!

This year, the Orchestra has continued to practice and perform their music, working hard, while having fun. After receiving a standing ovation for "The Nutcracker Suite" at the Winter Concert and winning three awards in Washington D.C. last year, we are hoping for the same success at the All Town Concert, Spring Concert, and at the festival in Montreal.
The Band has had a wonderful year in music, welcoming the new director, Doug Wauchope. After a successful Winter concert, the band looks forward to the annual Spring concerts and The Musical Festival trip. This year's competition in Montreal will doubtlessly be a memorable and award winning experience. Everyone will always remember the high praise and merit earned on past trips to Virginia, New York, Washington D.C., and many other unforgettable and enjoyable concerts.
WHHS TV

WHHS TV is Hingham High School’s TV station. Every morning during homeroom the morning announcements are broadcasted live from the studio. Once a week, the announcements are taped on location, somewhere in Hingham. The members of the WHHS TV are the technicians and the announcers. Throughout the year members of the WHHS TV crew go out and tape school events. Students, clubs, and events are featured.

There are club activities, music, concerts, basic every day activities, and even clips from elementary school. The goal of the video is for graduates to take out this tape years from now and see themselves involved in all these activities.

A NIGHT OUT CLUB

HARBORLIGHT
Students involved in the Biology Club participate in greenhouse projects such as forcing bulbs, growing herbs, and helping in greenhouse maintenance. They are also involved in maintaining the Memorial Court Yard outside the I.M.C. This courtyard was set up by the P.T.O. to commemorate the HHS's family members that have died.

The Oceanography Club is a volunteer club based on the HHS oceanography program. Club members act as ocean resource specialists and teacher aides in Hingham's elementary schools. Club members set up and maintain salt water aquariums, create games, stories and projects for the elementary school students. The Club also take trips to local aquariums and marine aquariums.

The club is co-chaired by Heather Ohman and Beckianne Hersey and is advised by Mr. Crowley.

in a thousand years, what will they say about us?
that we put 1028 bits on a computer chip?
that we could clap on, and clap off?
that we all had riding lawnmowers?
or that we helped our homeless
fed our children
stood by our sick
that we cared for each other
that we helped our homeless
fed our children
stood by our sick
that we cared for each other
that we want them to say?
